

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/Covid-19

The novel Coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19** is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state and local governments, and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

Workouts Unlimited has put in place preventative measures to reduce the spread of the COVID-19; however, Workouts Unlimited **cannot guarantee** that you will not become infected with COVID-19. Further, **attending Workouts Unlimited could increase** your risk and your households' risk of contracting COVID-19.
